STALLING
Depending on the number of llama and alpaca and vendors with exhibition animals, we will be stalling in the Sales Arena Barn and Barn D area.

The Sales Arena Barn will have portable horse stalls. Exhibitors **must** bring their own portable panels. Please limit the panel size to no more than 6 feet, as space is limited. The Sales Arena Barn has open sides, but is all undercover to the arena access. Also please limit your animals to no more than 2 adult Llama or 3 adult Alpacas per stall.

Barn D has permanent horse stalls with an overhang equal to the stall. Exhibitors **must** bring their own portable panels. Please limit the panel size to 10 feet. The total space is larger and we ask you to limit your animals to no more than 3 adult Llamas and 4 adult Alpacas per stall.

To include in your registration packet:

1) Fees. Payable by check made out to SAFF.
2) Because fees begin to be expended *on 21 Oct, no refunds will be made after this date.*
