

SaffSite — Southeastern Animal Fiber Fair

Vendor Login is at: <http://www.saffsite.org/vendorlogin.asp>

The screenshot shows the top banner of the SaffSite website with the title "SOUTHEASTERN ANIMAL FIBER FAIR" and the dates "October 26 - 28, 2012". Below the banner is a navigation menu with links for Home, Contests, Livestock, Event Information, Workshops, Vendors, Key Contacts, and Membership. The main content area is titled "Vendor Login:" and contains two sets of input fields. The first set is for the main login, with fields for "Email:" and "Password:" and a "Login" button. The second set is for password retrieval, with a field for "Email:" and a "Retrieve it" button. There is also a "Don't remember password?" label above the second email field.

SAFF Site - Update Temporary Password

The first time a vendor logs in they will be required to change their temporary password.

The screenshot shows the "Vendor Update Temporary Password" page. The top banner and navigation menu are identical to the previous screenshot. The main content area is titled "Vendor Update Temporary Password" and contains the message "You must change your temporary password." Below this message are two input fields: "Password:" and "Confirm Password:". At the bottom of the form are two buttons: "Update Password" and "Log Out".

Vendor Profile

The vendor profile page allows the vendor to (1) update their information and (2) to complete the current year survey form.
