Welcome to 2019 Southeastern Animal Fiber Fair in beautiful Western North Carolina! We're so glad that you are here to help us celebrate our 26th year!

Our SAFF mobile app is back for 2019 and is available for download and is free at the Google Play Store and Apple Store! Search "Southeastern Animal Fiber Fair". Take advantage of all the features available. "SAFF Chat" is a great way to communicate with other app users. Share a picture of that beautiful skein of yarn that you just bought! Or a picture of that angora goat that has the most amazing mohair fiber! Other great app features include the Event Schedule, Demonstrations, Animal Shows, Vendors, Workshops, Instructor Info, Maps of Davis Arena, Barn F, Expo Building workshops and the entire Ag Center facility. And a whole lot more! Download the app today and start connecting to this year's event.

Don't miss going to see all the amazing animals in the McGough Arena. Talk to the farmers who lovingly care for their animals. Gain a new appreciation for where your fiber comes from! The McGough Arena is a great place to relax, rest those tired feet and watch the animal shows after all that shopping in the Davis Arena and Barn F.

While you're in the Davis Arena, stop by the Fiber Arts Competition located in the Conference Room in the Davis Lobby. Participants will be dropping off their entries Thursday afternoon and Friday morning so by 1:00 on Friday the competition room will be filled with wonderful, inspiring creations! The competition is a must see and I promise you will leave with inspiration for your next project.

Did you know that SAFF is entirely organized throughout the year by a small group of 9 dedicated Board volunteers? And during the actual event, many more dedicated volunteers? The reason why....because we love the Southeastern Animal Fiber Fair!

We are so glad you are here!

Have a great SAFF,

Robin Brooks
