

Southeastern Animal Fiber Fair

2020 RV Site Rental

Please complete the form below in order to reserve an RV Site. Sites cost \$35/night and must be reserved and paid for ahead of time using this form. ***If you are staying before Wednesday or after Sunday, you will need to contact the Ag center to reserve extra nights.***

Please send check for RV sites to Lorri Helms, 258 Angel Road, Mars Hill, NC 28754

Once your form and check are received, I will send a confirmation email. At the beginning of October, I will send you a confirmation/reminder email. You will need to check in at the front desk, which is in the Davis Arena across from the classrooms.

In order to assist you with your planning, **please be aware** that you will need to get to the AG center early or late on the day of your arrival. If you arrive during the event, it might be impossible to set up and you might have to wait until later to set up.
