THANK YOU SO MUCH FOR VOLUNTEERING YOUR TIME THIS YEAR!

We really can't thank you enough. You are indispensable. You work tirelessly and cheerfully on behalf of those in charge of

organizing and making preparations to create a fun and satisfying experience for our fiber fair fans and attendees. Whether you are manning the front desk, helping with the fleece show, keeping an eye on things in the fiber arts competition, registering people for workshops or assisting vendors with their set up, without you,

SAFF would not be possible. This year's extenuating Covid conditions make it especially important to acknowledge your value and dedication. You have offered to help and assist when the circumstances are less than ideal, and for that you have our gratitude.....The SAFF Board

"Volunteers do not necessarily have the time; they just have the heart"

volunteers@saffsite.org**

Welcome to the 2021 Southeastern Animal Fair in beautiful western North Carolina! We are so glad to see you!

In addition to new workshops, new teachers and new vendors, your favorites are back too. Lots of shopping, fiber animals, demonstrations & fleeces. Locations and times are listed in the event program so check it out.

Don't miss going to see all the amazing animals in the McGough Arena and Sales Arena. Talk to the farmers who lovingly care for their animals. Gain a new appreciation for where your fiber comes from. Great areas to relax, rest your tired feet and watch the animal shows after shopping in the Davis Arena and Expo Building.

While you're in the Davis Arena, stop by the Fiber Arts Competition located in the Conference Room in the Davis Lobby. Participants will be dropping off their entries Thursday afternoon and Friday morning so by 1:00 on Friday the competition room will be filled with fiber creations from 38 categories. The competition is a must see and I promise you will leave with inspiration for your next project.

The Fleece Show & Sale has a new location this year in the McGough Arena. Find that perfect fleece that you just have to have.

Did you know that SAFF is entirely organized throughout the year by a small group of 8 dedicated Board volunteers? And during the actual event, many more dedicated volunteers? The reason why....because we love the Southeastern Animal Fiber Fair! We are so glad you are here!

Have a safe and awesome SAFF,

Robin Brooks

Fleece-to-Shawl Demonstration

Stop by and visit with local farmers and artisans in this year's Fleece-to-Shawl demonstration. Located in the lobby of the Davis Arena. Watch us card, spin and weave some varieties of animal fibers raised in our Blue Ridge Mountains fibershed (100 mile radius around Asheville): Shetland, Cottswold, Jacob, Alpaca, Mohair, Montadale, Romeldale, Pygora, Border Leicester, Teeswater and Romney.

We will be working through the creation of shawls all weekend using the triangle loom. Get tips from the farmers, spinners and weavers about their craft and share stories. This event is organized by Local Cloth, a volunteer-led non-profit built and sustained by farmers, artisans and volunteers with a passion for fiber.
