Welcome to the 2022 Southeastern Animal Fiber Fair!

After finishing a lot of projects over the last two years, I'm definitely ready for some new ideas and inspiration. Hope you are too! The Davis Arena and Expo Building have lots of vendors to help you find that next inspiring project.

And speaking of inspiration! Stop by the Fiber Arts Competition located in the Conference Room in the Davis Arena Lobby. We are so please to have several Youth entries this year. They are our future! All our competition participants will be dropping off their entries Thursday afternoon and Friday morning so by 1:00 on Friday the competition room will be filled with fiber creations from 40 categories. The competition is a must see and I promise you will leave with inspiration for your next project.

Don't miss seeing all the amazing animals in the McGough Arena and Sales Arena. Talk to the farmers who are always willing to share information about their fiber animals. Gain a new appreciation for where your fiber comes from. Great areas to relax, rest your tired feet and watch the animal shows. Check out the Event Schedule on pages 7-9 for show times.

The Fleece Show & Sale is located in the McGough Arena, Upper Level. Find that perfect fleece or fleeces that you just have to have for your next project.

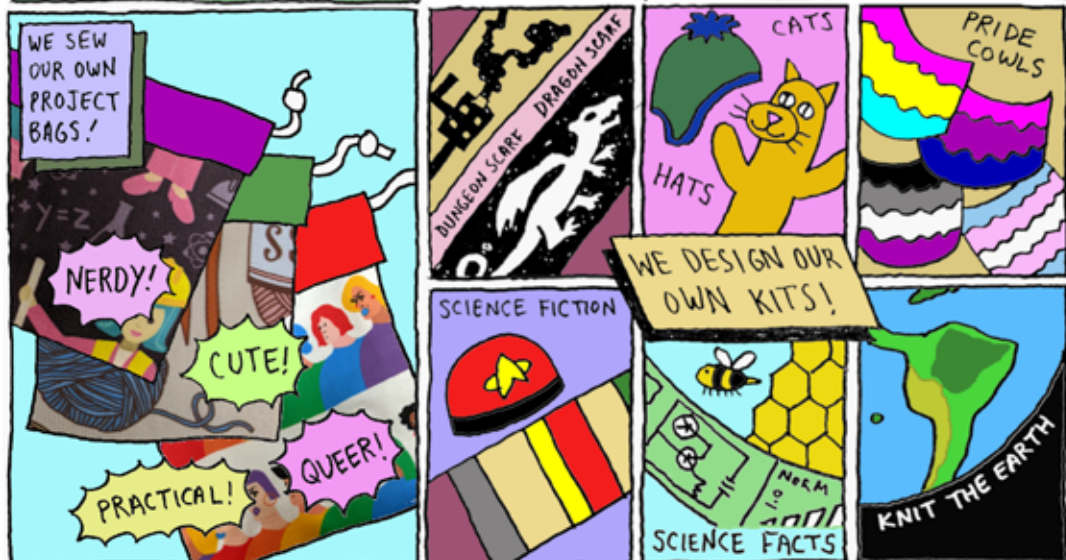

Did you know that SAFF is entirely organized throughout the year by a small group of 8 dedicated Board volunteers? And during the actual event, many more dedicated volunteers? The reason why....because we love the Southeastern Animal Fiber Fair! We are so glad you are here!
