of stalls for tack _____ Stalls @ \$35 each, alpaca/llama = \$ _____

STALLING

Depending on the number of Livestock and vendors with exhibition animals, we will be stalling in the Sales Arena Barn and Barn D area.

The Sales Arena Barn will have portable horse stalls. Exhibitors **must** bring their own portable panels. Please limit the panel size to no more than 6 feet, as space is limited. The Sales Arena Barn has open sides but is all undercover to the arena access. Also please limit your animals per stall (2-3 goats, 2-3 alpacas, 2 llamas)

Barn D has permanent horse stalls with an overhang equal to the stall. Exhibitors **must** bring their own portable panels. Please limit the panel size to 10 feet. The total space is larger and we ask you to limit your animals.

To include in your registration packet:

- 1) Fees. Payable by check made out to SAFF.
- 2) Because fees begin to be expended *on 1 Oct, no refunds will be made after this date.*

Stall total _____

- 3) Registration form
