

Southeastern Animal Fiber Fair

2024 RV Site Rental

*Please complete the form below in order to reserve an RV Site. Sites cost \$50/night before **OCTOBER 1** and **must be reserved and paid for ahead of time** using this form. **No refunds after October 1.***

Please send check for RV sites to Lorri Helms, 258 Angel Road, Mars Hill, NC 28754.

Once your form and check are received, I will send a confirmation email. At the beginning of October, I will send you a confirmation/reminder letter. This year you will need to check in at the front desk or Friends and Fiberworks in the Davis arena and get your sticker for the days reserved. We do check at night that you have this sticker on your vehicle.

RV Site Rental Information-there are, roughly, 127 full hook-ups

- *SAFF can provide several full hook-ups for Recreational Vehicles on the Grounds of the Western NC Agricultural Center at a cost of \$50/night before **October 1. After October 1 \$100. No refunds after October 1.***
- *RV Site locations are along the fence by Fanning Bridge Road; on the right-hand side of the Alpaca Barn; in front of Barns A & B, and along the back area at the lower end of the fairgrounds.*
- *Campers will need to bring a splitter for water, as most of the locations share 1 hydrant between 2 sites.*
- *Site selection is based on first-come-first-served. Specific RV sites are not reserved, because there is no way for us to police this across the board.*
- *All RV's must post their RV Sticker on the passenger's side of their windshield where it can be easily seen from outside. (These stickers indicate what nights have been paid for.) You will be required to check in with the front desk or Friends and Fiberworks in the Davis arena and to get your sticker.*
- *No matter where you chose to camp, entry to and exit from the fairgrounds is from Airport Rd only.*
